1961 Part 2

Scouting

SCOUTING AND HIKING

DEAR CAMPERS:

SINCE THIS IS THE LAST TIME I WILL HAVE THE CHANCE OF SPEAKING TO YOU, FOR THE YEAR 1961, I WOULD LIKE TO SAY A FEW WORDS TO FAREWELL AS YOUR SCOUTING DIRECTOR.

I WAS VERY PLEASE WITH YOUR EFFORTS IN MY DEPARTMENT. FOR THE MOST PART, I KNOW, OR AT LEAST I THINK I KNOW, AND, I HOPE THAT YOU ENJOYED, AS MUCH AS I DID, OUR HIKES AND OUR SCOUTING. I WAS REALLY OVER-JOYED WITH THE PARTICIPATION IN THIS YEAR'S NITZASHVUT, AND, I HOPE YOU ENJOYED IT AS MUCH AS THE FARMERS DID, WHO, HAD US ON THEIR LANDS.

AS FAR AS SCOUTING ITSELF IS CONCERNED, I TRIED TO MAKE YOU A PROGRAMME TO KEEP YOU INTERESTED AND ALSO TO TEACH YOU THE MANY SKILLS OF THE WOODS. I FEEL BAD THAT I HAVEN'T ANOTHER SIX WEEKS TO TEACH YOU MORE ABOUT THE WOODS. BUT, TIME ALWAYS PASSES ON AND A LOT OF THINGS ARE LEFT UNDONE.

NOW, IN ENDING MY "LITTLE TALK", I WOULD LIKE TO SAY THAT, I ENJOYED EVERY SECOND OF EVERY MINUTE OF EVERY HOUR, ETC., BEING WITH SUCH A GREAT BUNCH OF CAMPERS, AND, I HOPE THAT WE SHALL MEET TOGETHER, ONCE AGAIN, TO SHARE THE TOIL AND THE PLEASURES OF THE OUTDOORS:

PLEASE ACCEPT MY HUMBLE THANKS FOR SHARING MY SCOUTING PROGRAMME.

JERRY BLUMENTHAL

JUNIOR HIKING

BY: B NNY PROSSIN

This year, hiking for the Juniors, reached a new level. The first Junior hike was, to put it mildly, very successful. We left camp following snack and walked along the Haines road. The walk was very tiring, but, due to their determination and courage, the Junior Boys and Girls managed to survive the one-half expedition.

After a delicious supper of salmon, juice and "dirt", a lively sing-song was led by the man-around-town -- Jerry "The Lion" Blumenthal. Our first hike was then ended with the singing of "KI-RAD HIYOM", as everyone stood arms entwined around the blazing campfire.

Rear Admirals Fred and Norman Ross, then showed up and transported us back to camp in their ships.

Our second and final hike before Hityashvut, was an overnight hike to that distant spot of beauty, -- Point Cabin. After the eleven minute and forty-two second walk to our destination, we prepared for the night ahead of us. After roasting hot-dogs and drinking, a concoction of Jungle Juice and dirt, the kids were settled in their bed-rolls, while the counsellors and Mev gathered around the campfire for a sing-song. As the flames of the campfire died out and everyone settled down for the night.

Early the next morning, we walked back to camp and after a short rest, resumed regular activities.

Our main hike, was of course, Hityashvut. But, it has been summed up in another article so, I will not go into a description of it now.

It can truly be said, with all joking aside, that this year's hiking programme for Juniors, was the best seen at Camp Kadimah in many years.

THE JUNIOR HITYASHVUT

BY: SAUL LEVINE

On Tuesday afternoon all the Juniors gathered at the Pavilion. Soon, a truck came and took us to Union Square. From there we walked two miles until we came to a deserted farm. When we got there, all of our equipment had arrived and was given out. Then, we played some games and then had supper. We played some more games followed by a campfire and roasted hot-dogs. We found a little white cat. Then we went to bed -- frozen nearly half to death.

We got up at five o'clock in the morning, and had breakfast, which consisted of hot chocolate and fish. Then we started again. We went to see the Lower Inters and then started again. After a while, we rested and had oranges. Then we started off and at long last we came to the General Store. We had ice-cream and walked down until we came to a farm. We saw some chickens, how the eggs were tested, some pigs and about a thousand hens. Then, we had dinner and there were some sandwiches left over. Norman Ross tried to give them away -- he didn't get very far! Then we went back to camp.....

LOWER INTER HIKING

BY: LINDA OFFEN

AROUND 9:30 a. m., all the lower inters were called to the boys sports field. There, Mev, Morty, Sandy, Simcha watched as we piled into a big truck that was loaded with hay. When everyone was settled, we got ready to leave. As we reached the gate, we started to sing and never stopped 'till we came to the starting point. Every-

one jumped out of the truck, lined up and waved good-bye to the truck driver and Danny. Then, with Mitch at the of our line we began our long, hard trek in the sweltering heat so the thought. After a half-hour, we stopped near the farm. Lloyd and Mitch went to see if it was the right place, since Zackie was very doubtful -- twenty-five cents worth. Of course, our great lead was correct. As we progressed up the road to the farm, we found that our welcoming committee was the farmer's dog -- Buddy. Since, we were early, the girls got together to write a song while Lloyd took most of the boys exploring. After a few verses of the song were written, the hikers started to play a game of concentration. When the explorers came back, they had some more energetic games -- Wack and British bulldog. By this time, the campers were dying of starvation. But, then, in the distance, appeared the little truck that was bringing our food. The counsellors unloaded the food and Linda set up the kitchen. Then the picnic progressed. There was chicken soup, chicken and loads of vegetables followed by cookies and apples. Boy, was it delicious -- thank-you Mrs. Goldstein! The meal went along fine except, when the campers yelled "Truck" -- and the counsellors working in the kitchen would try and cover the pots of food to keep flying dust from the road cut. Then, there was a rest period for the campers while the counsellors cleaned up. Mr. Morton came down to find out if anyone wanted to try and milk the cow. Of course, there were lots of volunteers. Almost everyone tried. It was hilarious -- too bad someone didn't have a movie camera! The highlight of "milking time" was Gloria's turn. She was doing pretty well and was just about through when the cow decided it had more to offer than milk. It was lucky she moved fast. When everyone had their turn, we went

on a tour of the farm. We saw rabbits, a pig and after this Mr. Morton asked if anyone wanted to go for a ride on his work horse. You can guess what the answer was! There was a stampede to be the first in line while Mitch went to get Flossie. While this was going on, Lloyd and Zackie helped Mitch with hay. Mitch made it back with the horse and starting with Louis Attis, took the campers for a short ride. When the excitement from this had died down, a little Gloria decided to help (?) on the hay truck while some of the boys followed behind the truck with hand-rakes. Around three o'clock Mr. Morton was finished (you can take it the way you want) so, we returned to the front yard for a rest and some more games. A while later, we got ready, said good-bye to Mr. Morton and started out to our next camp site. After a slow and uneventful walk, we arrived at the chosen site. Joel Pink set up the tent and the kitchen and the counsellors passed out the supper. For a little bit of excitement, Danny Chernin and Louis Attis challenged ten boys in a wrestling match. We won't mention who won. While this was going on, Gloria and Linda peeled frozen hot-dogs till their fingers were numb. When the hot-dogs were boiled, all the campers got come down to the fire to sit and listen to Lloyd's scary ghost story. Then, all the campers got settled in their bed-rolls and the counsellors had their special snack. By the way, Lloyd -- didn't you make a little too much pop-corn? When they had enough to eat, Mitch, Zackie and Lloyd decided to take a little walk over to the junior camp. When they came back they held a little ball session. Two other counsellors, who shall remain nameless, found it quite informative. When we woke up, everyone was freezing -- it seemed like a cold night. We noticed there was someone extra around. Norman Hamburg came over to visit. After

a while, everyone had a big breakfast and prepared to leave. Just before we left all the juniors came marching over for a short while. before they went on their way. A mile from our camp site, we stopped in a shaded spot on the road. Here we did some work on our sing -- i.e. Zacke did. One of the girls asked why we were stopping in the middle of nowhere -- if we were lost, so the counsellors decided to string along with this idea, because we were about an hour ahead of our schedule. Finally, the truck came with sandwiches for dinner. After fourths and fifths of everything and a little rest, we started out again under the blazing sun. When reached the next hill, a bugle sounded, -- Lloyd flagged us in. At this time, the other two hiking groups were marching down their separate roads to the meeting place. It was a wonderful sight! When we were altogether, ice-cream was given out and the whole camp went home together. This was by far, the best hityashvut Kadimah has ever seen and everyone had a ball !!

UPPER INTER HIKING

BY: NEIL RUBIN

ALL of the upper inter hikes this year were very successful. On our first hike we first two miles to Sandy Beach, we pitched camp in a matter of minutes, then we had a short general swim. After the swim, we had our supper and then a short bonfire. While we were sleeping it started to rain. Mev and Simcha came to pick up up in the camp car. All in all, it was a lot of fun.

For our second hike, we went to Indian Falls. We set up camp, went in for a swim, had our supper and went to sleep.

For our hityashvut, the OLIM

HAD a new over to a beautiful picnic site. We slept there and then went to the Penny's Farm. The girls did housework, while the boys carried wood into the barn. After the work was done, we went to a nearby farm to sleep. When we woke up in the morning, we went inside the house and cracked eggs. When our breakfast was finished, we started on our way to Union Square. We met with the rest of the camp at Union Square and continued the journey back camp.

In my opinion, the hikes in camp were most enjoyable.

SENIOR HIKING

One Wednesday morning the LITs and Seniors were asked to bring their sleeping bags to the scruting period where Jerry showed us how to pack them. About three o'clock in the afternoon, everyone was ready to leave. We left camp singing as we made our way to Indian Falls. The falls were only about five miles away and since we had plenty of time, Jerry let us rest often. We reached our destination around 5:30 p.m.. Jerry separated the seniors and LITs and the two groups settled about 100 yards away from each other. Later, a few girls were asked to help make supper, which, consisted of fried potatoes, fried meat and an assortment of juices. Later, the boys built a huge bonfire and as everyone seated themselves around it, Jerry opened it officially. Almost every song we could think of was sung and Jerry also taught us a new song "DOES YOUR SPERMINT LOSE ITS FLAVOUR--"? It became quite a favorite with all the kids. Later, cocoa was made and we all roasted marshmallows

Before we knew it, it was quite late and everyone went to their bedrolls. In spite of the cold, everyone fell asleep right away with a few exceptions, of course. We were awakened about 5:50 a. m. and breakfast was prepared. Soon we were on our way again, even though the going was rough the thought of our warm soft beds stayed in our minds and we trudged along. We arrived back at camp in the middle of the morning and everyone made for their cabins. Even though we were all dead tired, we had to admit that it was loads of fun and couldn't wait to do it again.

THE SENIOR MID-NIGHT HIKE

All was very still in the cabins, when at 11:45 p. m. the Seniors were awakened. We were given fifteen minutes to get ready and go to the dining hall to meet the boys. Everyone, still asleep, trudged out the boys' gate, past the girls' gate, and over the little bridge. We turned down Haines Road and walked, and walked and walked. After taking a rest on the wet grass and practically falling asleep, we walked some more, Jamie Levitz and Bobby Cohen ran one mile down the road to see where we were. Sure enough, we had gone too far and hadn't taken the right turn off !! So, for half an hour we lay in the middle of the road and went to sleep while Steve and Jamie again went down the road. But, we were lost. We decided to head back for camp. So, we rested for a while and then walked early back. Once in our hard rock beds, which at that time, were luxuries, we picked up on our lost sleep.

SENIOR AND LIT HIGH SCHOOL

DEAR DIARY:

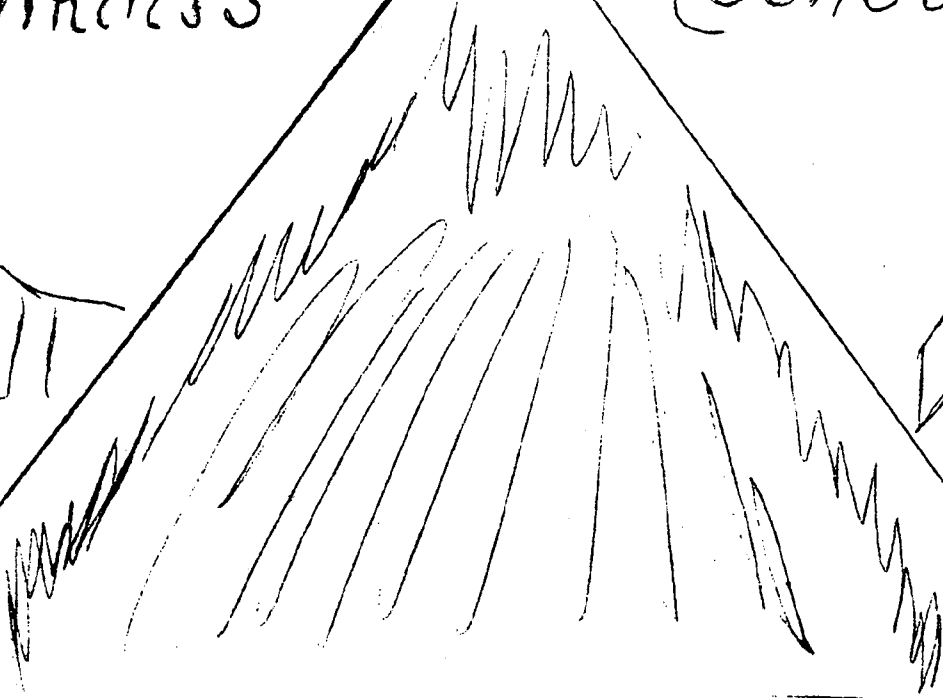

We arose at 5:00 a. m. to find the weather plus our temperments rather dull. However, with some effort, we managed to gather ourselves on the sportsfield by 6:00. Here the fun began! -- The truck was small, the load large, what to do?! Simcha to the rescue-- the Israeli Army method was immediately enscribed. Pack them in like s rdines -- Terrific solution!! (Ha!) Oh well, we finally made the big squeeze and off into the wild blue we flew! However, due to unbearable over crowding, we enlisted Mr. Eisner's car to complete the manuevre. By 8:30 our trip was completed and breakfast was started at the site of the Saw Mill. Before long, we had a visitor -- the owner of what was thought to be government territory. Now, no firs, she was a sweet old lady who just wanted to meet us and say "Hello". Smooth sailing all the way! At 9:30 sharp we started to march, or should I say "Trot". In any case, we covered 3/4 of the day's mileage, by 11, at which time we stopped for lunch. The farmer close by, Mr. Lynde, was a dear --gave us a garbage pail - and deliciously cold water plus a beautifully established outhouse.

At one o'clock we were off again, although, this time, we had only a short walk. However the land gave us trouble. Harris Langile refused to let us on his land. But, the Thompson's next door, on whose farm we were to work Tuesday, was most generous. They graciously gave us permission to use their land. We set up a nice camp site by clearing away the brush and hit the hay early after a tremendous supper and snack. Tuesday brought a day of variety. The Thompson's

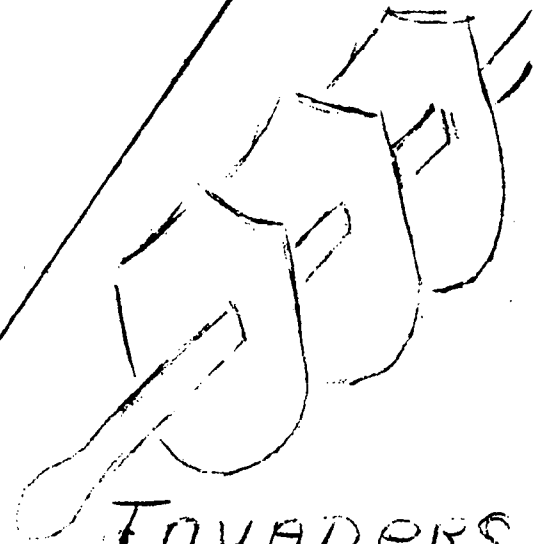

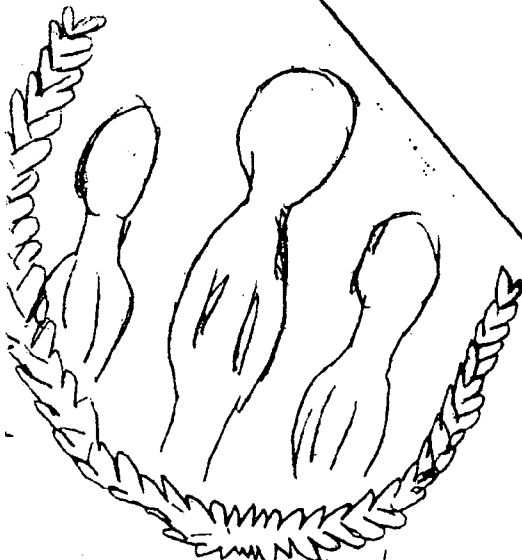

provided us with a kitten as our mascot. While the girls picked blueberries and acquired poison ivy, and the boys tried their art at cutting wood led by the seventy-five year old lady of the farm. After a much delayed dinner (say two hours) due to detailed organization, we set up our second camp site. It was a beautiful site -- nice sandy beach, lovely swimming area and a clear crisp cold night. All's well on the homefront! Up at dawn was the call Wednesday morning. By seven we were marching once again. Packs and all, we made our dinner spot by nine -- Ahead of schedule as usual -- they underestimated our ability that's all. Who cares? -- more time for swimming and jiking! At noon the bugle sounded and over the hill we marched. What a sight to hold ** Upper Inters and Lower Inters coming forth too. A surprise and a cheer for all. It was a tremendous scene and just great for the spirit of the camp. From here we made the short journey home as a unit full of weary but happy and spirited campers. It was a fabulous Hityashvut for all concerned -- DIDN'T YOU AGREE? !!!!!

MACCABIA 1961

Champions

Invaders

M A C C A B I A -- 1 9 6 1

After a long period of talk, anxiety and anticipation the moment finally arrived. -- Maccabia, 1961. The whole camp, having been called to the dining hall to witness a movie named "HELENA ZOLD", saw the marching in of the team captains, accompanied by cakes bearing the candles and colours of their respective teams. Amidst the jubilant cries and screaming, the four teams were announced by the Chief Judge, Fred Ross. The buzzin', rushin', hustlin' and bustling of Maccabia had begun for another year.

After such preparation lasting Monday evening and all day Tuesday, the time finally arrived. -- At 4:45 P. M., the call for the teams to line up on the girls' side of the bridge came, and before long the command, "Yellow team proceeds across the bridge", was echoed through Kadimah. Following the Yellow Team to Mikad, came the Blue, White and Red respectively.

The splendour, pomp and pageantry of Maccabia was witnessed by all, as the four bronzed coloured figures, ran onto the field and lit the Activity Fires, along with the Maccabia Fire. As the Maccabia Pledge was said, a sullen feeling filled the Mikad formation -- THE FOURTEENTH MACCABIA WAS OFF AND RUNNING!

Opening night, as in other years, was devoted to team games. Wednesday saw Maccabia '61 move into full swing.

The morning started off with one set of team games being played, followed by a smooth and efficient running regatta. Though short and limiting, the regatta proved to be enjoyable as well as exciting for all. A general swim followed the Regatta, completing the morning schedule.

In the afternoon, an extremely well organized track and field meet was run off with great efficiency. Hot and tired, the campers attended a compulsory swim. After supper, all teams retired to rehearsals for Drama and Song & Dance. The first day of Maccabia had been spectacular, and, from all indications, this Maccabia competition would be a close one.

Thursday morning at Mikad, the Red and Yellow Teams presented Hitamlut. Approximately three-quarters of an hour after breakfast, all teams congregated around the waterfront area and anxiously awaited the commencement of the Swim Meet. During the morning, a very efficient and smooth running meet was staged, with the Red Team coming up in first position.

Following an extended rest period, the extra and shallow end events were run off simultaneously. Later in the afternoon, the tug of war was held on the Boys Sports Field followed by a game of anagrammes. The Yellow Team was victorious in both competitions. Being hot and sticky, a general swim was held.

After supper, the dramatics and Song 7 dance presentations were held in the rec hall. For the time and effort put in by all the teams, the presentations were exceptionally good, and credit must be given to each and every team.

Friday found competition at a peak. White and Blue presented Hitamlut at Mikkad. Rowing breakfast, Scouting and team games were held simultaneously. The running marathons, shuttle relay and swim marathons were in off. Following this, a lengthy general swim was held.

The final march past was held, followed by the Shabbat Supper. During the meal, a song fest was staged led by the captains.

Immediately following the meal, all teams lined up together and marched across the bridge to the Mikkad diamond, where the closing ceremony took place. Impressive and memorable, were these five days of activity and pageant.

Congratulations are in store for the winning Blue team captains -- MITCH BUDOVITCH AND SIMON GAUM, as well as for the other captains;-- YELLOW --STAN JACOBSON & LAURIE ASEROFF; WHITE -- JOEY MEDJUCK AND STEVEN PINK; RED -- NORMAN HAMBURG AND DANNY NEWMAN.

A Maccabia full of sportsmanship, good competition, as well as fun and enjoyment for all, now goes into the books, but, it will forever read, that it was by far, the best Maccabia this camp has ever seen -- and, one that will be remembered for some time to come by all its participants and competitors.

FINAL RESULTS

	RED	WHITE	BLUE	YELLOW
1. REGATTA	70	58.5	52	59.5

Tune: Sink the Bismarck
The Misnaplim we call ourselves
Invaders bold are we
Surprising all the other teams
On a march to victory
In swimming, track, regatta too
Our spirit always high
Oh, the Misnaplim, the Misnaplim
Our name will never die.

The bond of spirit in our team
Is always flying high
Our talents in activities
Prove our aim is for the sky
In arts and crafts and track and field
Our team will never yield
Invaders bold invaders bold
Will proudly bear our shield.

Tune: Hurrah for G.I.
We hail from red team
We hail from red team
We're the team that's known as Misnaplim
Everyone in camp knows
We're the team that really goes
Invaders yahoo

Big chief Wahoo
Little Papoose
Our Invaders are on the loose
We know we can do it
We've done it before
So come on red team
Let's roar, roar, roar.

Tune: G.I. Blues
Do you know all-2
Do you know all about-2
Do you know all about the in-
Know all about the Invaders
The Red Team strong
Will march along
And take this Maccabia.

We'll swim well-2
We'll run well too-2
With Tommy & Danny-2
Invade
With spirit high
We'll really try
To win in '61.

Tune: Working on the Railroad.
We've been working hard all year
And to all we'd like to say
Maccabia again is here
And we're really on our way
Misnaplim the mighty red team
Our name is here to stay
To the blue, the yellow and the white
teams

We will pave the way
Kadimah can't you see.
Kadimah can't you feel
That our team's really full of zeal
Kadimah can't you see
Kadimah can't you hear
That this is the team that you should
fear

Hey Invaders
Let's really roll
Marching to the call of the shmol, yemin,
shmol
So give a shout and give a cheer
For the strongest, bravest team this year.

Yellow team Marching song

Stop, look and listen
As Rocketot go marching by
We're here to show you just what we can do
Everybodt steps aside
Looks with pride
As we glide
Flying down the battlefiel
Fighting side by side
So give a cheer and give a out
We're the team you'll hear about.

Tune : Teddy Bears' Picninc

The Rockets soar into the sky
With spirits never low
The rockets work and play so hard
We're always on the go.
The Rocket Team will play and win
We'll take our losses with a grin
We'll never give up,
We'll never give up till we win.

CHEER

Mercury, Venus, Neptune, Mars
Can't you see those tocket stars?
Are we in it? Well I guess.
Rockets, rockets, yes, yes, yes!

CHEER

You haven't the rythm
You haven't the jazz
You haven't the team
That Yellow has.

Tune: Guide Jubilee Song

CHORUS

Rockets and races
Sputniks and spaces
Are always on the go;
We are the Rocket Team
We all are full of stea m
We're gonna win, we know.

The Rocket Team is working so well,
We'll give 'em hell,
The Rocket Team is swinging along
All young and strong
And we'dl go all out to win Maccabia
With our hearts full of song.

Chorus

CHEER

Alack, alack a ching
" " " chow
" " " ching, ching
Chow, chow, chow.
Zoom alack, boom alack
Sis boom bah
Rockets, Rockets, Rah, rah, rah

Tune: Mr. Clean

In this Maccabia Yellow Team is
cleaning up
Yellow Team will win Maccabia
And everything that's in it
Yellow Team, Yellow Team, Yellow
team.

Tune: Underneath the Spreading
Chestnut Tree

Underneath the banner of the 'ellow
Team
There are kids that are on the
beam,
We will burst the other teams
seams
We are members of the ,ellow Tea

Maccabia Song

L'shalom livrucha
Neytze al ha Maccabia.
repeat
Kadinah hedah , kulanuh nitaynyad
Nifo taynoo nifo tayach hácotay noo
nifo tayach
Kadinah al ha Maccabia.

Yellow team's rockets are blasting fast.
Our team will never be passed.
Zooming, darting, gliding straining
through the air
We'll reach our target have no fear.
Kadinah's rockets are really sleek
Through Maccabia we will streak
Swimming , scouting, boating, and drama
too
All other teams good luck to you.

WHITE TEAM SONGS

Hey Look Me Over"

We are the best team
 We're full of zest
 We have the spirit to pass the test
 So don't count us out boys
 Just count us in
 I figure whenever we're down & out
 We'll always try to win
 So we will fight like the devil
 We'll do our best
 We've got the power to beat all
 the rest
 We're a little bit strong on the
 sportsmanship
 And so we'll take the field
 Aluphin, we'll never yield.

"HONEY BABE"

Champions we'll do our best
 Aluphin
 Champions, we'll do our best
 aluphin
 Champions we'll do our best
 We'll try as hard as all the rest
 White team we're going to win.
 PAUSE
 WILLY ONLY SAYS NEXT TWO LINES
 One, two, three, four
 aluphin, let's give them more
 EVERYBODY REPEAT SONG

YOU'RE IN THE ARMY MR. JONES"

We're in Maccabia at last
 Now all anxiety is past
 Now we can show them that we have
 night
 And we'll fight till the end is
 in sight.

Deep in the Heart of
 Texas

CHEERLEADERS:

Aluphin was sitting round
 On a very fine day
 When at last a voice was heard
 Which clearly seemed to say
 KIDS:
 Our team is great, our spirit too
 We'll win this Maccabia
 We'll try so hard in all we do
 We'll win this Maccabia.

"DELAWARE"

What will our team do boys) 2
 What will our team do)
 We'll win Maccabia Joe (3)
 That's what we will do.
 How good is our team boys) 2
 How good is our team)
 It is the very best boys) 2
 It is the very best) 2
 That's what our team is.

"Hotty Totty"

Hotty totty-gosh all mothy
 Who the heck are we?
 Who the heck are we
 Flim-flam-bim bam
 Aluphin by G.M.,
 Yea team.

THE CLOCK CHEER

Red team, blue team, yellow team too,
 We wish the best of luck to you
 But the team of '61
 Is the white team, out for fun.
 Yea, Aluphin.

BLUE TEAM
VIKINGS VIKIGIM

Songs

With spirit ceasing never
Vikigim will proudly steer
And we'll fight on bravely ever
Blue team let's give a cheer

We're travelling on rough water
But Vikigim will win at length
'Cause with our team we'll slaughter
The Vikings stand for strength

Vikigim --we'll have victory on the
land,

Vikigim--we'll have victory on the
sea;

But if we're defeated, give a hand,
For sportsmanship will show our glee

Tune: Around Her Neck She Wore A
Yellow Ribbon

With swords we'll fight until our
work is done,
The other teams will try hard but we
will take the run
We'll fight, we'll shout; we'll slash
them all about,
For we're the strong and husky that
will win, there's no doubt

PRAY TO GOD-----ODIN
PRAY TO GOD-----ODIN

With our ships & daggers & clubs
We won't cause any sin
Some say we're ruff; yes, of course
They're right

But with our bold spirit we shall
take the fight

No other teams can tell us where to go
For VIKINGS are the STRONGEST and
we'll take the show

CHORUS:

Cheers

1-2-3-4-5-6-7

All good VIKINGS go to heaven
When we get there, we will yell
Other teams go to; oh no!
Come with us; play our game;
Help to lead us on to fame.
When we win, YOU'LL be proud
That you helped put us on 9th cloud

VIKINGS, VIKIGIM

Blue's the team that will win this
year

VIKINGS, VIKIGIM

Let's all give this gang a cheer

S P O R T S

The 1961 Sports programme at Kadimah was met with great enthusiasm by all campers. The favoured sports, such as softball, track and field and basketball, were popular, as well as some newly introduced sports such as touch football.

The softball house league was made up of three teams: -- THE BRAVES, THE PIRATES AND YANKEES. Each Saturday two games were played at the end of the schedule, the standings were as follows:

<u>TEAMS</u>	<u>WINS</u>	<u>LOSSES</u>
YANKEES	4	0
BRAVES	1	3
PIRATES	1	3

In the semi-finals, the Braves were eliminated by the Pirates by the score of 14--8. In the Championship game, the Yankees were paced to their fifth straight win by their pitching captain Arnold Budovitch. The score was 16 -- 5.

The captains of the teams were : MARK OFFMAN, ARNOLD BUDOVITCH AND DAVE CALE OF THE PIRATES, BRAVES AND PIRATES, Respectively.

During the season a New Germany teen-age team met the top players from the house league. Using an imported pitcher, the New Germany took the first victory ever by a 10 -- 0 score as the camp team was only able to get two hits off the fastball pitcher.

The ground hockey league was made more exciting this year by the addition of a fourth team. Each week all teams played one game. The results of the regular schedule were:

<u>TEAM</u>	<u>WINS</u>	<u>LOSSES</u>
MAPLE LEAFS	3	0
BLACKHAWKS	2	1
BRUINS	1	2
CANADIANS	0	3

The leading scorer for the season was Larry Freeman with four goals. Maurice Star was a close second with three.

In the semi-finals the Canadiennes won their first game by defeating the Bruins 3 -- 1, while the Maple Leafs won their fourth straight game defeating the Blackhawks 1 -- 0.

In the final game of the year, the teams were in playoff form, as the championship was up for contention. Late in the final quarter, the score was tied 2 -- 2. Then, Neil Rubin banged in with the winning goal. The Leafs won 3 -- 2, taking the championship.

The captains of the teams were: LIN ROSIN OF THE LEAFS, LOUIS ATTIS OF THE BLACKS, LARRY FREEMAN OF THE BRUINS AND TIM MARGOLAIN OF THE CANADIENNES.

Several games were played between the counsellors and the campers in the early part of the season. In softball, the boy counsellors defeated the campers and headstaff took a 19 -- 16 win over the counsellors. Sandy Budovitch led the counsellors with 12 points while, Marlene Goldfarb had 10 for the campers.

In a basketball game between the Senior boy counsellors and the Head staff plus campers, the S.C.'S took a 36 -- 25 victory. High scorers were Stan Jacobson and Willie Strug with 9 points. Simcha Ronen led the losers with 9 points.

Kadimah had the pleasure of hosting several visiting teams this year. On July 16, the boys from Halifax made their annual trip led by Joel Jacobson. The Kadimah team edged Halifax 15 -- 12 in softball. Then, the strongest basketball team seen here in years, took the floor against the visitors. The final score was Kadimah 58 and Halifax 21.

Our softball team had its best competition when, New Germany and the Wagner Brothers visited camp. The excellent pitching of Brent and Curly and our loose defense produced a 17 -- 4 victory for New Germany. The good results of this meeting were arrangements to meet the New Germany basketball team.

In the first game between the camp basketball team and the New Germany high team, the final score was 49 -- 43 for camp. High scorer was Willie Strug with 18 points. Kadimah won the return game also, by a score of 43 -- 39. High scorer for Kadimah was Mark Offman with 11.

Following the best Maccabia in years, another Halifax team visited Kadimah. Joel Jacobson, again took the mound, but, this time, with a different team behind him. The result was more decisive. Kadimah won 9 -- 5 although, scoring six runs in the last inning which was called by darkness. In the final basketball game of the

year, Kadimah was the underdog against a highly rated Halifax team. In the first half Kadimah surprised everyone by holding on to a 35 -- 34 lead. The second half showed the real strength of the Kadimah team as the final score was 79 -- 57 for Camp. The outstanding player for Kadimah was Nev Brown with 27 points.

In closing, I am able to say that the spirit this year in sports activity was terrific. Thanks should be given to Simon Gaum, our Chief Umpire and Fred Ross and Jackie Yablou, our Chief Basketball Referees.

An article on the Kadimah Waterfront written to completion would tend to be quite lengthy due to the numerous activities which have taken place. This article will just outline these activities.

The staff this year consisted of:

Waterfront Director-----Fred Ross;

Ass't. Waterfront Dir.--Steve Pink,

Laurie Astroff;

Danny Newman,

along with the counsellors of each group for whose assistance we are greatly appreciative.

Swim instruction this year was given to each group at the same time every day, with three periods in the morning and one in the afternoon. A free period followed each swim instruction period and the kids could use this time to practice for their tests if they wished.

Unlike other years, 1961 was not a year major Red Cross test passes, were plentiful. Instead the year was devoted to non-swimmers leading up to Junior Red Cross Swim Tests. The most remarkable group this year was the Juniors. At the first of the year five campers were in the deep pool of a total of forty. At the end of the Camp season only two remained. The shallow end as a whole held only ten people. The reason for much success can only be attributed to the enthusiasm and the tireless work of the campers along with two aids, flutter boards and a fruit-juice container. These containers when harnessed to the back of the camper acted as comfortable life-jackets keeping the student buoyant, yet leaving his arms and legs the freedom necessary for learning a stroke. These aids when upon a camper gave him a feeling of safety and self-confidence; thus only five minutes use of this novel device resulted in another successful swimmer entering the deep pool.

Swim instruction also brought in another new activity. This was a Water Safety Leader Course for any Senior Swimmer who wished to take it. Fourteen campers and five counsellors took the course which turned out extremely successful in spite of the frequent interruptions.

Again this year, Life Saving courses were continued. The Bronze Medallion classes by Danny Newman and Frank Medjuck. The Award of Merit Class was led by Steven Pink. A total of twenty people took the courses.

Diving hobby saw a very enthusiastic younger group participate under the direction of Steve Pink. Although we produced no champions, a great deal was learned and enthusiastically received by the parents on our Visiting Day Water Show.

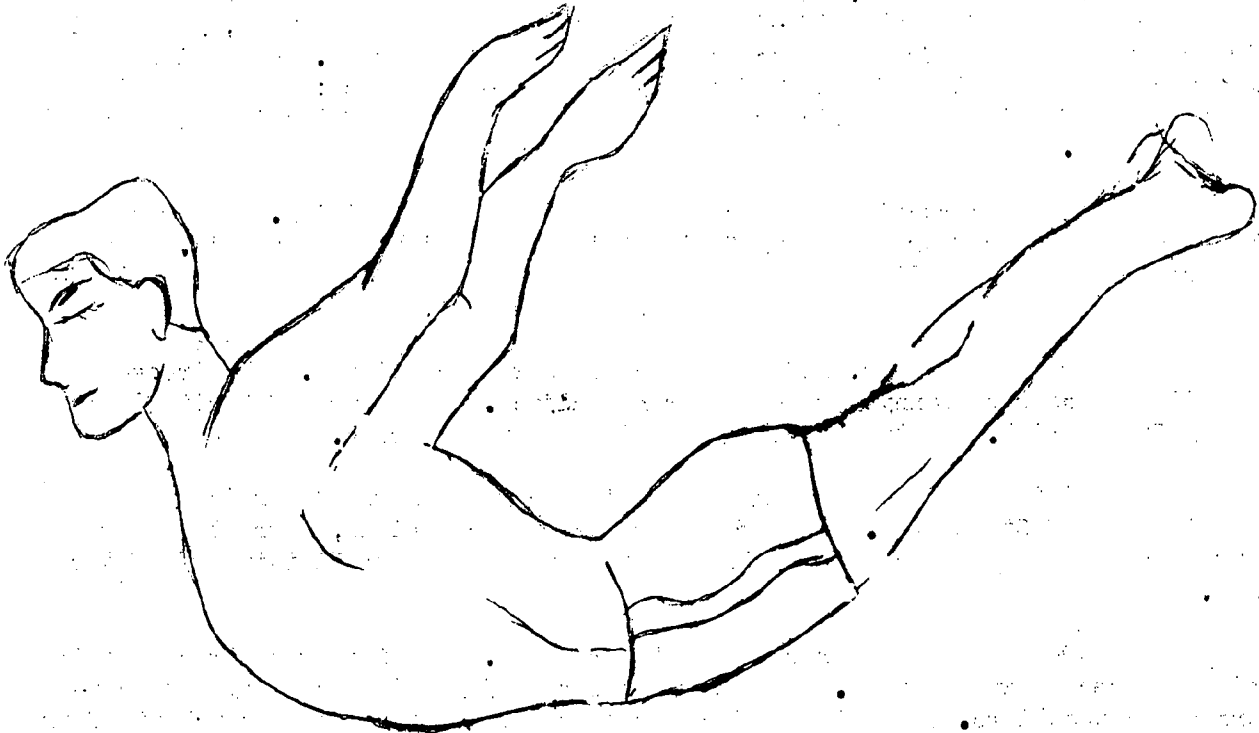

1961 saw two waterfront nights produced. The first was strictly swimming while the second was regatta. Both evenings were enjoyed immensely by both campers and counsellors. The swim night was rather novel with a light snack at four o'clock P.M.—the activity at five and a light supper at eight thirty in the evening. Participation in both nights activities involved every camper and counsellor at least once and sometimes three times; this was the more reason for its success.

The Kadimah Invitational Swimming Meet was changed this year to Sunday, August 6, instead of on a Saturday, but nevertheless it was extremely successful with seven teams coming to Kadimah. We finished fifth behind Halifax Y.M.C.A. who were the defenders from last year, Bamook, Greenwood, and Hantsport. Fine swimming was witnessed and it is expected that an even bigger crowd will be on hand for next year's meet.

Moving to the other sections of the waterfront found an extremely successful boating season under the direction of Norman Ross. Instruction in boating and canoeing was given and then races were organized within the groups, both with oars and with hand paddling. Canoe and boating tests were also looked after, however, not too many fulfilled the requirements of the tests. It is hoped that in the future years the same interest will be shown by the different groups regarding boating.

Added to the waterfront this year were water skis and a new 25 horsepower motor for the boat. In contrast to last year the surfboard was used only a couple of times while the water skis were in constant use by Senior Swimmers and up. All skiers were required to wear life-jackets and two people had to be in the boat at all times when a skier was being towed. Although, the kids found it rather hard at first to get started, once up they were given the thrill of their lives. Perhaps, with the interest shown this year, a more intensified water skiing program will be initiated.

Thus with the above summary, Kadimah waterfront activities draw to a close and as Waterfront Director I must say it was a pleasure to work with everyone in the Camp, especially the campers from whose efforts I received so much satisfaction. Have a good winter—hope to see all of you here again next year.

CAMP OFFICE (HALIFAX)

CAMP KLEIMAH
277 QUINPOOL ROAD
HALIFAX, N.S.

Editor's note:

The new address of Keith Ross is:

7092 Fielding Ave.,
Halifax, Nova Scotia.

THE OFFICE -- ALAIS THE COUNSELLORS' LOUNGE

(?!) "THE MAGILLIA" (?!)

Camp Kadimah, 1961, has come to pass and, it is hard to believe that Camp is over for another year. Having flown by like a bird migrating to the South, certainly proves the great success of the Camp Season.

Unfortunately, the Counsellors were unable to have a Counsellors' Lounge this year -- due to circumstances beyond their control -- so, the office became the Counsellors' Lounge -- at times, against the Secretary's wishes! However, having all around helped to enliven some of few and far between lost hours especially, when one is out of cigarettes. The Dart Game was great, but, the "Lounge" was only exempt of bunks so all could pull up for a little snooze.

The life of the Secretary, as many seem to think, is far from an easy, soft and pleasant. The work is not too strenuous. -- It begins with the gay "Boker Toy" at almost sunrise and, ends when she is so exhausted that whatever is attempted turns out with nothing but mistakes.

Then, of course, there is that "Great" (!?) P. A. System which is enough to drive the sanest person insane -- especially with "Electricians (?) " like Steve Pink who just loves to get his hands on such instruments and leaves the machine out of order temporarily -- (like six short weeks). Just at "Those opportune times", everyone (head staff and counsellors all included) are here to spend the day getting their thrill by making announcements which, for the most part are unnecessary -- silly as they are).

The days' work (mostly heavy but occasionally lax) goes along quite smoothly until the unearthly hours of 2:00 p.m. -- 5:00 p.m. with cries: "Is the mail in, -- Did I get a letter?" then it's either Hurrah-----! or OH-----! Thank the Lord for the wonderful mailman when he finally shows up. Some are made happy while the remaining disappointed few stay behind and "bugg" you until eventually, within the near future, get their mail.

Then, of course, there's the famous words: "Is the canteen made up yet?" Answered with a "no", the fortunate counsellors (who forgot to hand in their list) quickly make up their list while, when the answer is "yes", the unfortunate ones -- cry with fear of what their campers will do to them for they miss their canteen.

Being stuck in this place all day, every day -- it is quite impossible (unfortunately) to enjoy the beautiful weather we had this summer. -- Thank Godness, when Maccabia rolled around and as a judge -- could manage to get a few hours

of Sun-Tanning in while working.

After an absence of three years, it has been great coming back to Kadimah. It still remains the same and even greater. Only one thing that can be regretted,-- and, that is, being Secretary and couped up in the office, you don't get a chance to be with the campers and aid or participate in the programming.

I want to take this opportunity to bid a sad good-bye to all my old friends and the new ones I have made. Camp has really been great and, I hope, that sometime in the near future, we can all meet again --re-hash old memories and set new ones.

Shalom U'Vracha
